The Great Cell Phone Drive. The ReDiscover Auxiliary is having a cell phone drive to raise funds for ReDiscover.

We are asking for your help. Unlike other fund raising projects, there are no products to buy and distribute. All we are asking is that people donate any old cell phones that they have at home. Also, if you know of any businesses that provide cell phones to employees, please ask if there are unwanted cell phones they would like to donate. We don't even need the chargers or accessories.

There is no cost to anyone to participate in this program, so all the proceeds will benefit ReDiscover. Our goal is to send off our first batch of phones in May 2008. We will receive our money promptly, so please help us out this week. All we need is the cell phone and battery; chargers and other accessories have no value.

Donors can request receipts. Tell Donors, "You may be able to deduct the value of your donation on your tax return. Please consult your tax preparer and inform them of your donation. If you would like a receipt, please provide the following information with your phone when you drop it in the box. Upon request, ReDiscover will mail you a receipt for your tax records."
